Education

Georgia Institute of Technology Language Institute, Intensive Academic English Program   **Atlanta, GA**
ESL Certification, ESL certification   *01/2014–12-2014*

Universidad de Carabobo   **Valencia, Venezuela**
Bachelor of Science Degree in Electrical Engineering,   *2003–2009*

Relevant Experience

Outreachy Intern   **Remote**
Kubernetes.io   *12/2018–Present*
Author of the general guide for all who are getting ramped up on Kubernetes upstream contributions - Member of the Kubernetes Organization especifically SIG contributor-experience

DevOps Instructor   **Monterrey, Mexico**
Cerouno.io   *06/2018–Present*
Teach the fundamentals of Kebernetesio, this is accomplished by deploying a test app to a cluster in Google Compute Engine

Golang Instructor   **Monterrey, Mexico**
GreaterCommoms   *02/2018–Present*
Teach the fundamentals of Golang, this is an online course for beginner level.

Software Engineer   **Monterrey, Mexico**
Datelp Systems SA de CV   *01/2017–Present*
Develop base framework with Golang and Go Template Engine to get MVPs for clients up and running as fast as possible.

- Responsible for building web application using ReactJs (frontend) and Golang (backend).
- PostgreSQL for database.

R&D Engineer   **Monterrey, Mexico**
Cbac del Norte   *11/2015–12/2016*
Evaluate the Zigbee Mesh Networking stack, and desgin new products from reference designs.

- Development of C code (Finite State Machines) to handle sensor states - Interfacing ARM M0+
- Analysis of the Zigbee protocol.

DevOps volunteer   **Atlanta, USA**
Business Case Analysis Class at GaTech's Language Institute   *09/2014–12/2014*
Responsible for planning and implementing deployments to the cloud.

Maintenance Engineer   **Caracas, Venezuela**
Farmatodo CA, Warehouse Logistics (Knapp system)   *04/2011–09/2013*

- Plan, review and execute programs of preventive, corrective and predictive maintenance for services (KiSoft navigator, Pick-to-Light, static dispenser automatic SDA, container and carton conveyor, SCADA I-point. **Leading a team of thirteen.**)
